Gifts made to A2SF are tax-deductible less the market value of any goods or services you receive as part of your donation. A2SF recognizes gifts of $50 or more in the season following the calendar year in which the gift was made. For example, a gift received between 2/1/2024 and 1/31/2025 is recognized in 2025 materials. Donor benefits are based on the date we receive your gift and are valid for one year. Therefore, benefits are always provided for the upcoming season. For example, a gift received in March 2025 would provide benefits (including pre-sale access to tickets) for the 2025 season.
